SBHX

Santa Barbara MakerSpace

Welcome.
The Santa Barbara Makerspace is meant to be a fun and friendly setting for makers and hackers to build, experiment, and learn together. We welcome all participants, no matter their level of skill or experience. Our general meetings are on Saturdays from noon until late, and there are usually people here during the evenings on most weeknights.

ABOUT US

The Santa Barbara Makerspace was founded in 2009. We are a group of makers and software developers in the Santa Barbara community who love coming together to build things of all types. We are a non-profit organization, and we rely on the membership dues and donation of enthusiastic technologists to keep going. Interested in becoming a member?

CALENDAR

Meetings are held regularly every week with very few changes. Our regular meetings are :

Monday night at the Santa Barbara Main Public Library, from 5 PM to 8 PM. Please be there before 7 PM, that is when the main library closes its doors.

Monday Night is our Micro Controller Monday meeting at the 'Space (at 158 Aero Camino) starts at 6 PM.

Wednesday Night, Web tech Wednesdays are a bit less regular and generally held in various locations around Santa Barbara and Goleta.

Thursday Nights Think tank Thursdays are held at the space and hosted by Swiss. Starts at 6 PM.

Saturday Days are our general meeting which are open to any topic. Open from 12 PM onwards

CONTACT

Questions about becoming a member? Ideas you'd like to share? Projects you'd like to tell the group about?

Become a Member

Members are granted access to the Makerspace according to their level of membership. Full members are given a card granting them access 24/7, to the space, the projects, and all of the tools. Basic members are welcome to come to the space and use the tools any time it is already open, and have the full experience and knowledge of our members at their disposal.

The starter membership allows access to the space for observation purposes only, and only when there are already members present.
We now have our 501(c)3 non-profit organization status (Sept, 2013), so all membership dues may be tax-deductible.

So what do you get if you join the Santa Barbara Makerspace? Lots! Access to the 3D printers in the space. Use of space for co-working. Many maker tools and electronic stuff is avaiable. All ages are welcome, under 18's need to accompanied by an adult.

Membership Tiers. The Makerspace offers 3 levels of membership, each with different benefits:
$100 / month $35 / month $10 / month

The Makerspace at the SB Public Library, is completely FREE
